☐ Energy Management

- The DoD and DA Goal is to save 3% per year
- Our priority is to execute no cost/low cost initiatives
- Use daylight whenever possible
- Turn off artificial lighting
- Task lighting decreases the energy bill
- Open your windows for 5 to 10 minutes to ventilate
- Shut down radiator valve when you open windows

- ☐ These no cost initiatives will save the community about 5% of energy.

Tips on Light Bulbs

- Replace *regular incandescent* light bulbs with *compact fluorescent* bulbs.
- Available for FREE at the Self-Help Store on Taylor Barracks (Bldg 374)

**90% of the energy
consumed by
incandescent bulbs
is wasted as heat**

DPW

Tips on Computers

- Computer screen savers do *not* save energy
- You can save energy by setting your computer to the “sleep” mode automatically and by turning off your computer monitors when not in use
- For Office Computers – Contact your System Administrator

Energy Checklist

(Prior to Leaving your Home or Office)

- Room lights turned off?
- Hallway lights and lights in unoccupied areas turned off?
- Radiators turned down to the red dot or 3 (snowflake during long absences)?
- Monitors, printers, coffee makers, fans, radios, TVs, etc. turned off?
- Windows and doors closed (during heating season)?

So What Exactly Is ENERGY STAR?

- ENERGY STAR is an international rating of appliances and equipment. The higher the rating the more energy efficient ("green") the item is.
- Benefits: Saves money and reduces greenhouse gas emissions & Use 15% less energy
- The ENERGY STAR rating applies to windows, doors, and heating/cooling systems.
- USAG Mannheim can save \$600 per year per family on energy bills if everyone used Energy Star products.

Lean Six Sigma – Recycling project

- ☐ Pilot program will soon be initiated to promote and track recycling
- The pilot program will initially target housing occupants living in stairwell quarters on Columbus Street and occupants in Grant Circle.
- Program will provide guidance to Building and Area coordinators on specific duties concerning proper recycling.
- Program will provide educational awareness to building occupants.
- Program will provide methods to accurately track weights of recycled yellow bag, paper and refuse. Weights will be continually analyzed and charted. Results will be measured and documented.
- It is German Law to recycle.
- Expectation is to see a great increase in the recycling effort and to increase cost avoidance. The program will then be instituted throughout the Garrison.
- Thank you for your commitment to recycle properly.
